## Message from Pastoral Team:

As we come to the end of the academic year, the pastoral team would like to extend a heartfelt thank you to all our families for their continued support. It's been a pleasure to celebrate so many student successes, and we're incredibly proud of what our young people have achieved. We're excited to see what the next school year brings!

As you prepare for September, please take a moment to check our **uniform guidance** on the school website to ensure students are ready for the year ahead. It's also important that all students return equipped for learning – this year we're also asking students to bring a whiteboard pen to each lesson.

We wish all our families a restful, safe, and enjoyable summer break. We look forward to welcoming everyone back in September!

## Allotment:

We are looking for volunteers to help with watering the allotment during the summer holidays. If you would like to help, please email Mrs Allen – [s.allen@obhs.org.uk](mailto:s.allen@obhs.org.uk) and she will create a rota.

Any help would be appreciated, and you are not expected to commit to the whole school holiday. Thank you.

### **Read Aloud Summer Challenge:**

As a school we have signed up to the Read Aloud Summer Challenge that is run by Fonetti. This is a national reading challenge where our school competes with other schools in the locality, across England and contributes to our MAT community scores. It would be great to see all pupils engaging with this.

It is simple to join in. Just scan the QR code on the attached letter and get started.

### **Board Games:**

Mrs Smith and Mr Helsdon are planning to start a lunchtime club for board game enthusiasts in the new school year. If you have any spare board games you would like to donate, they would be very grateful.

### **Lost Property:**

Please see attached a list of items that are currently being held in Student Reception.
