Lunch Cards:

Please could students be reminded to bring their lunch cards with them every day to assist with the smooth running of the Canteen queue.

Students who have forgotten their cards are still able to purchase lunch but will be asked to wait at the back of the queue as transactions take longer to process without the cards.

Replacement cards can be purchased on School Gateway and students who received free school meals can get replacement cards free of charge from Main Reception. Thank you.

Plea from Food Tech:

Once again, we are asking for any spare tubs for food tech, and a reminder that all students need to bring their own suitable container for practical lessons and if they do borrow a container, please can this be returned. Thank you.

PE and Sports Studies Sweatshirts:

GCSE PE and Sports Studies students can order sweatshirts to wear for PE lessons on the following link: <https://www.4sportsgroup.com/Old-Buckenham-High-School>.

Friends of Old Buckenham High School:

We're always looking for new members to lighten the load!

Ambition

Careers in Prosthetics and Orthotics are a fascinating blend of engineering, science and both physical and psychological patient care but are generally a lesser known area of healthcare (please also refer to the attached brochure).

The Careers section on the BAPO website is excellent: <https://www.bapo.com/careers/>. It has information on the different career options within the professions, details of the different training routes available and case studies from people within the professions. They also have a careers email address: CareersinPando@BAPO.com

The NHS Health Careers website is always a really useful source of information: <https://www.healthcareers.nhs.uk/explore-roles/allied-health-professionals/roles-allied-health-professions/prosthetistorthotist>

Respect

Star of the Week:

Each week we identify a pupil in each year to be our star of the week. This is a simple way for us to recognise our pupils who are really representing our Old Buckenham High School values and making us incredibly proud.

Year 7	Abigail L	7G	Excellent number of positives this week.
Year 8	Liza K	8Y	Highest achieving KS3 student this week.
Year 9	Amber H-G	9G	Most positives in Year 9 this week.
Year 10	Tobi D	10Y	Highest positives in Year 10 and an outstanding attitude around the school.
Year 11	Kitty E	11B	Well done on 24 positives this week.
